KCI-Acuity, LLC & CIO-SP3 SB

KCI-Acuity, an 8(a) Joint Venture, holds two CIO-SP3 SB contracts, one in the Service-Disabled Veteran Owned Small Business (SDVOSB) category and one in the 8(a) category.

ABOUT CIO-SP3 SMALL BUSINESS

Chief Information Officer–Solutions and Partners 3 (CIO-SP3) Small Business (SB) is a best-in-class, 10-year Indefinite Delivery/Indefinite Quantity (IDIQ) contract offering federal agencies a streamlined way to procure information technology services from industry leading IT providers. Any federal civilian or DoD agency may use this contract to fulfill a broad range of mission critical IT requirements as diverse as Data Analytics, Cloud Computing, Cyber Security and Health IT. The CIO-SP3 SB contract is managed by the National Institutes of Health (NIH) Information Technology Acquisition and Assessment Center (NITAAC).

The NITAAC Customer Support Team offers live representatives (M-F, 8am–6pm), complimentary training and a library of tools and templates to help facilitate acquisitions. The electronic Government Ordering System (e-GOS) offers fair opportunity and streamlined market research, includes applicable FAR clauses, removes the requirement for a formal evaluation plan/scoring and allows federal staff the ability to set timelines for award, meet small business goals by determining set-aside preferences and agency-specific terms and conditions.
